BATHING

Assisted Bathing Service

Registered Charity No 1063803
Registered Company No 3403668

HOW THE BATH WORKS

Cliff House has a fully adapted cosy bathroom with a specialised bathing unit (shown below). While the user sits on a comfortable platform, the bath rises slowly, bringing the hot water up and around him or her for a luxurious bath and soak.

A highly trained and experienced member of staff is present to assist you as needed, but once in the bath you can relax as you wish. There is a call bell should it be needed.

We provide soap, towels and flannels - but all personal toiletries can be brought if preferred.

THE SERVICE

To access the service we simply ask that you are able to independently weight bear (either with or without mobility aids). Most clients arrange their own transport, but we can arrange a taxi or escorted transport at an additional cost.

If possible we suggest you view our facilities first, so that you feel confident and we can be sure of meeting your needs. The first visit (still charged) is always on a trial basis. The service is run on an appointment based system.

If you are interested in accessing the bathing service, please contact us. We will be happy to advise you on our

CHARGES

This service runs as a social enterprise.

Clients are either charged the full cost or, where eligible, can be assisted to claim funding from the statutory sector.

We welcome feedback so please contact us with any comments about our services at:
