DAY ACTIVITIES

We run outings (in a group or one to one) to places of interest which have been risk assessed to ensure that an enjoyable and a safe accessible visit is assured for all

Places we visit include:

Harlow Carr Gardens

Betty's

Yorkshire Museum of Farming

Millstones

Lightwater Valley

Staveley Lakes

The Frazer Theatre

There are other opportunities to socialise and enjoy a hobby such as the Cliff House Bridge Club

Day Care

Day Care groups operate in the fully accessible resource centre in Cliff House on Mondays, Tuesdays Wednesdays and Fridays between 10am and 2.30pm. Group sizes vary with up to 20 frail people cared for in a warm room with comfortable seating and accessible toilets nearby.

A midday home cooked lunch (as well as plenty of refreshments during the day) is served.

Fully trained staff lead the group with help from volunteers. There is lots of chat and fun activities on offer.

Before attending for the first time a short confidential assessment is carried out at your home (with family included if you wish) to discuss the service and ensure it is right for you. Health and social issues can be discussed and any particular dietary needs.

Once agreed, you will be introduced to one of the groups on a day to suit you (subject to availability) The first day is always on a (charged) trial basis.

Other day activities take place through the week

CHARGES

There is a charge for this service.

Clients are either charged the full cost or, where eligible, can be assisted to claim funding from the statutory sector.
